

## Lifco AB

I am delighted to say that our client, Lifco AB, has recently signed an agreement to acquire UK POS, the UK's leading provider of point of sale displays.

Lifco remains extremely keen to complete further acquisitions in the UK market and is sector agnostic. It seeks quality businesses generating £3m to £12m EBIT with high margins and return on capital employed. It has significant funds yet to deploy on 2019 acquisitions.

Please let me know if you are aware of any suitable opportunities.

Kind regards

Mark Eardley
