

# Acquisition Search: Plant-based Milk Manufacturer

## About the Acquirer

- Leading FMCG/food and beverage manufacturer;
- Strong track record of building household brands;
- Manufactures and distributes consumer packaged products to retail consumers;
- Presence across Africa, Asia and Europe.

## Acquisition Criteria

- Plant-based/alternative milk manufacturers;
- Must have established plants/equipment;
- Pre-existing distribution agreements would be beneficial;
- Any geographical location;
- Turnover preferably <US\$50m, but will consider larger.
