- Provider of IT services to support companies in the management of their operations;
- Offers services in quality and data engineering, intelligent automation, business ops, process consultancy, data management, data analytics and business intelligence;
- Microsoft, SAP, Salesforce and Oracle partner;
- Serves customers in the banking, finance, insurance, travel, hospitality, healthcare, life science, retail, consumer and government sectors;
- Headquartered in India;
- Operates globally.

Acquisition Criteria

- Scaled IT service providers;
- Serving customers in the healthcare, retail and Hi-Tech sectors;
- Companies serving customers in the insurance and banking sectors, with capabilities in Guidewire, Duck Creek or Temenos, also considered selectively;
- Operators of global capacity centres;
- Revenue between US\$20m-US\$50m;
- IT service providers serving customers in any other end sector;
- Revenue between US\$100m-US\$400m;
- Located in the UK, the DACH region, the US, Australia and New Zealand;
- Will consider companies working in other locations, but they must have customers in the aforementioned geographies.
